Dear Parents and Carers

Following an Academy Order issued by the Department for Education after the Ofsted inspection in 2024, and final agreement from the regional board last week, Grove Park school is now in the process of transferring into London South East Academies Trust (LSEAT).

This transfer marks the beginning of an exciting improvement journey for our school. LSEAT has an outstanding reputation for delivering significant school improvements, together with expertise in supporting SEND pupils – and is very much the right fit for Grove Park.

With our new headteacher, Mrs Causton, now in place, we are working closely with LSEAT, East Sussex County Council and the Department for Education to ensure a smooth transition over the coming months.

Our pupils remain our priority; we are absolutely committed to ensuring every child gets the support they need, deserve and are entitled to. We will provide further updates as the transfer process progresses, but if you have any queries or concerns, please don't hesitate to contact Mrs Causton in the first instance.

Many thanks for your continued support.
