

GROVE PARK SCHOOL

NEWSLETTER

JULY 2024

Dear Parent / Carer

Can you believe we are at the end of another academic year? – How time flies!

It has certainly been an eventful year and I am sure we are all looking forward to the summer holidays.

We wanted to take this opportunity to thank everyone for their incredible support during this year, it is always appreciated.

There are those amongst us who will be leaving this year, students and staff alike, and we wish them all the best for their future, what ever that will hold.

Behind the scenes we have been working hard to prepare the school for the new academic year. Class lists have been circulated and the school calendar is attached along with this newsletter.

Watch out for the new website that we have been working on available for the public from Monday 29th July 2024. Please feel free to give suggestions on how we can improve it or information you would like to see in the future, your suggestions are always welcome, please email office@grove-park.e-sussex.sch.uk

During the first term, the website will rapidly evolve with appropriate pictures and videos demonstrating the range of activity that goes on within the school and the curriculum element will be specifically extended with further useful information.

It's a work in progress, rather than a finished piece of work!

A little reminder of the school start and end times as the school is no longer advocating early arrivals or departures in the new academic year.

9:10am to 3:20pm for Church Road (Primary)

8:50am to 3.00 pm for Beeches (Secondary)

9:00am to 3:10pm for Green Lane (Secondary and Post 16)

In September each site will have a dedicated senior leader overseeing the day to day running of each site with Anna Beck our new Assistant Headteacher joining us in September, this will give us greater capacity to make a difference.

The leaders will be:

Church Road (Primary) Sam Berkery

Beeches (Secondary) Anna Beck

Green Lane (Secondary/Post 16) Olly Sagar

Please feel free to contact the relevant person should you need to.

In September we will give further information regarding the positive changes that are taking place at Grove ark.

We are delighted that Adrian Carver will continue to work along side us as a Consultant – he brings a wealth of expertise and this is proving to be incredibly valuable in our drive to provide the very best for our young people – they deserve it!

Have a safe and enjoyable holiday and look forward to meeting everyone again.

Regards

Paul Prest and Adrian Carver, Interim Headteachers
