At Grove Park, photos/videos play an important part in recording the achievements of our pupils as well as illustrating what we do in and around school. We use these photos in the school's prospectus, on the school's website and on display boards around school. On occasions, charitable organisations who have invited our school to participate in events, may ask for photos from the day.

We would like your consent to take photos/videos of your child, and use them in the ways described above. If you are not happy for us to do this, that's no problem – we will accommodate your preferences.

It is important that we protect your child's interests, respect your wishes and comply with Data Protection legislation. Please read the Conditions of Use below before filling out your preferences below and signing and dating this form. We will not use a photograph or video of your child without consent.

If you change your mind at any time or want to withdraw your consent, you can let us know by emailing office@grove-park.e-sussex.sch.uk, calling your child's phase secretary. If you have any other questions, please get in touch.
