

GROVE PARK SCHOOL

NEWSLETTER

25 OCTOBER 2024

Dear Parents, Carers and Families

Thank you so much for supporting our children and young people through this very long term! I have been told this is the first 8-week term in 28 years and the students certainly deserve the break next week.

Over the summer we unpacked and organised lots of wonderful new resources. For example, new sensory and outdoor equipment and beanbags on which to relax and read. It has been great to see the benefit from the new resources being used across the three sites.

We continue to roll out our new phonics linked reading books. Please do encourage your children to read these both to and with you, then make a comment in their reading journal. This will really support our ongoing drive to improve reading and communication across the school. Your children will also benefit being read to as often as you are able.

Don't forget to feedback on our new website. We would really like to know what you like about it and any suggestions about further information that would be helpful. Please send to susanm@grove-park.e-sussex.sch.uk.

Please remember we have whole school training days on Monday 4th and Tuesday 5th November. We look forward to welcoming our children and young people back to school on Wednesday 6th November, ready for the new term.

As we head towards Christmas, we will let you know about festive events as soon as they are confirmed. The first event to be confirmed is the whole school Christmas dinner, being served on all three sites on Wednesday 18th December.

Wishing you all a safe and restful break.

Absences:

If you need to let us know that your child/young person will not be attending school due to illness for example, please phone your Phase Secretary by 8.30am and leave a message with their name and type of illness. We cannot accept messages sent via other parents/carers or transport.teams.

Many thanks for both your cooperation and understanding.

What have Grove Park School students been up to recently?

On Tuesday 22 October, **Green Lane** were invited by the Golden Lions Charitable Trust to attend a performance of *Il Turco in Italia* at Glyndebourne. Our students were fantastic Grove Park ambassadors: *"the Grove Park group were a delight to work with once again"*.

Primary : Rowans have been spending time carving pumpkins and enjoying the Immersive Room

Secondary spent Thursday 17 October at Tonbridge Angels Football Stadium where they played a match against Nexus School.

The students really enjoyed themselves.

Well played Grove Park!
